wars rarely turn out as expected this book shows how britain entered a conflict that it believed could not be lost the american patriots were similarly optimistic about their martial prospects although they eventually secured independence it was only with the assistance of france and indirectly spain who diverted british resources from the conflict in america allowing france eventually to deliver a knockout blow at yorktown this extensive yet accessible exploration into the war of american independence provides a clear analysis of why this complex conflict occurred and why it ended as it did revealing the fragile nature of the american patriot cause an essential guide for any history student including those specializing in war peace studies and the study of international relations as well the general reader with an interest in the study of war

this book examines a hitherto neglected aspect of the war of american independence providing the first wide ranging account of the impact of this eighteenth century conflict upon the politics economy society and culture of the british isles the author examines the level of military participation which was much greater than is usually appreciated and explores the war's effects on subjects as varied as parliamentary reform religious toleration and attitudes to empire the book casts new light upon recent debate about the war waging efficiency of the british state and on the role of war in the creation of a sense of britishness the thematic chapters are supplemented by local case studies of six very different communities the length and breadth of the british isles

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

although american independence was no miracle the timing of the country's independence and its huge

scope both political and territorial do seem miraculous in the miracle of american independence jonathan r dull reconstructs significant events before during and after the revolutionary war that had dramatic consequences for the future as the colonies sought independence from great britain without these surprising and unexpected results dull maintains the country would have turned out quite differently the miracle of american independence reimagines how the british might have averted or overcome american independence and how the fledgling country itself could have lost its independence drawing on his nearly fifty years of research and a lively imagination dull puts readers in a position to consider the american revolution from the perspective of the european states and their monarchs this alternative history provides a stimulating reintroduction to one of the most exciting periods in american and european history proving that sometimes reality is even stranger and more miraculous than fiction

alan taylor is featured in the american revolution a film by ken burns sarah botstein and david schmidt on pbs excellent deserves high praise mr taylor conveys this sprawling continental history with economy clarity and vividness brendan simms wall street journal the american revolution is often portrayed as a high minded orderly event whose capstone the constitution provided the nation its democratic framework alan taylor a two time pulitzer prize winner gives us a different creation story in this magisterial history the american revolution builds like a ground fire overspreading britain s colonies fueled by local conditions and resistant to control emerging from the continental rivalries of european empires and their native allies the revolution pivoted on western expansion as well as seaboard resistance to british taxes when war erupted patriot crowds harassed loyalists and nonpartisans into compliance with their cause the war exploded in set battles like saratoga and yorktown and spread through continuing frontier violence the discord smoldering within the fragile new nation called forth a movement to concentrate power through a federal constitution assuming the mantle of we the people the advocates of national power ratified the new frame of government but it was jefferson s expansive empire of liberty that carried the revolution forward propelling white settlement and slavery west preparing the ground for a new conflagration

this series explores key dates in history what happened on the day and the background and consequences of the event each title tells the story in a crisp fast paced style and colour and black and white photos map and timeline support the text the books are perfect quick read introductions to the dramatic events and

equally useful as high interest low reading level books on 4th july 1776 america declared their independence after almost 200 years of british rule this key date in the american revolution changed the course of history today the declaration of independence is a treasured document and 4 july is the most important national holiday and celebration in the usa

this series explores key dates in history what happened on the day and the background and consequences of the event this text examines the us declaration of independence the titles are good as quick read introductions and can be used as high or low reading level books

declaration uncovers the lesser known stories surprising twists and forgotten voices behind the most iconic document in u s history

vægt på de mil begivenheder men også om sociale politiske og økonomiske forhold i tiden
