bringing together issues that are highly relevant to contemporary japanese foreign policy this comprehensive text analyzes the formation of the north korea policy in the context of great power relations in east asia

this handbook maps the expanding field of gender and eu politics giving an overview of the fundamentals and new directions of the sub discipline and serving as a reference book for gender scholars and students at different levels interested in the eu in investigating the gendered nature of european integration and gender relations in the eu as a political system it summarizes and assesses the research on gender and the eu to this point in time identifies existing research gaps in gender and eu studies and addresses directions for future research distinguished contributors from the us the uk and continental europe and from across

disciplines from political science sociology economics and law expertly inform about gender approaches and summarize the state of the art in gender and eu studies the routledge handbook of gender and eu politics provides an essential and authoritative source of information for students scholars and researchers in eu studies politics gender studies politics political theory comparative politics international relations political and gender sociology political economy european and legal studies law

how can public policy scholarship contribute to transformational societal change in this collection of essays previously published in policy politics the authors explore different avenues towards more transformational public policy research this includes being braver in what questions we ask more inclusive in the actors we study and audiences we speak to and more diverse in our theories and methods the chapters address issues such as crises democracy participation disasters and paradigm change this book is essential reading for academics involved in public policy and politics and those invested in the improvement of our societies during turbulent times

the seventh edition of this classic handbook on the policy process is fully updated featuring new material on policy making amid local and global disruption the contestable nature of modern policy advice commissioning and contracting public engagement and policy success and failure the australian policy handbook shows how public policy permeates every aspect of our lives it is the stuff of government justifying taxes driving legislation and shaping our social services public policy gives us roads railways and airports emergency services justice education and health services defence industry development and natural resource management while politicians make the decisions public servants provide analysis and support for those choices this updated edition includes new visuals and introduces a series of case studies for the first time these cases covering family violence behavioural economics justice reinvestment child protection and more illustrate the personal and professional challenges of policymaking practice drawing on their extensive practical and academic experience the authors outline the processes used in making public policy they systematically explain the relationships between political decision makers public service advisers community participants and those charged with implementation the australian policy handbook remains the essential guide for students and practitioners of policy making in australia

this work focuses on the political philosophy and the constitutional transformation of the contradiction between two major nations in one land namely palestine israel while the notion of the nation state has permeated the levant since the 1917 british crusade into jerusalem the organic demographic actuality of the country s population is incompatible with the dominance of one nation in one land with the subsequent degeneration into the series of war crimes that began in 1947 to move away from this conception of a zionist state requires another methodology that offers an alternative to the domination of one nation by another that is rationalized by the myths of nation building promoted by the nationalist school of thought with an approach that is inter national in the root meaning of the term this book fuses the jewish

bundist concept of national cultural autonomy with the process of constituent assemblies as an expression of the parallel civil societies that become an organic social construction codified in a federal constitution by avoiding the notion of the nation state this exit may then be named the no state solution

almost half a century ago the Australian National University's *T. B. Millar* penned a seminal book on Australian defence policy in the lead up to the Vietnam War today Australia's defence forces are returning from long conflicts overseas while the rise of China and the economic integration in the Indo Pacific presents a complex mix of challenges and opportunities drawing inspiration from Millar's original volume *Australia's Defence Towards a New Era* brings together leading experts to examine the domestic and international context of Australia's defence policy Australian strategy and the size and state of our armed forces as the country heads towards a new era this book provides an in depth overview and key insights into the past present and future of Australia's defence

war is too important to be left to the generals declared French Prime Minister Georges Clemenceau over a century ago but which civilians exactly play the most important roles in controlling the armed forces when civilian control is studied the focus is typically on those in the upper echelons of the executive branch presidents prime ministers or defense secretaries yet because civilians in the executive may be tempted to hide problems or use the military in controversial ways researchers must extend Clemenceau's dictum if war is too important to be left to the generals civilian control is too important to leave with the executive this book aims to understand the similarities and differences among the world's democracies regarding the role of legislatures in democratic civil military relations drawing on over a dozen cases from across the globe the authors examine how most legislatures face capability and motivational impediments to conducting truly robust oversight and propose realistic reforms to strengthen military accountability to elected officials and the public the heart of the civil military relationship

combining theoretical and empirical approaches this book examines the role that international public administrations play in global environmental politics in the Anthropocene with chapters written by leading experts in the field this text offers fresh insight into how international bureaucracies shape global policies in the complex areas of climate change biodiversity and development policy international public administrations are thus recognized as partially autonomous actors with their own interests and motivations assuming the roles of managers orchestrators brokers or attention seekers this comprehensive resource provides scholars and practitioners with valuable insight into environmental policymaking and how international public administrations might be transformed to better address the multiple fundamental challenges of our century this is one of a series of publications associated with the Earth System Governance Project for more publications see [cambridge.org/earth-system-governance](http://cambridge.org/earth-system-governance) this title is also available as open access on Cambridge Core

a fortnightly bulletin on financial and political trends
